

“Peake Farm and Old Winchester Hill”

This route is around 5 miles long. It is a beautiful route, taking in the South side of the Downs – However, it doesn't take in a pub. If you do find that you need a drink, I suggest diverting to The Shoe at Exton, which will add another couple of miles to the route.

Distance:	5 miles
Ascent:	220m
Walking time:	3 ½ to 4 hours

Walk past Whitewool Farm along the South Downs **Way to the chalkpit, then right up the hill.**

Walk down the road towards Warnford, which is the one directly across from the gate.

Turn left at the first track, this is onto the Monarchs Way heading to Peake Farm.

Continue on to Old Winchester Hill **then turn left up to the Hill Fort.**

Walk back around the hill to the car park at top of the South Downs Way and back to the chalkpit and home.
