

West Meon

This is the best route to West Meon, avoiding (as much as possible) the narrow country lane.

Distance: 2 miles
Ascent: 50m
Walking time: 45 minutes

Walk North alongside the road going to West Meon, coming onto the road through the gate at the bottom of the hill.

Walk along the road for about $\frac{3}{4}$ mile. **Turn into the woods on the right, where there is a sign for Chappetts Copse.**

Walk through Chappetts Copse (beautiful) and before walking into the garden of Chappetts Cottage **turn back out onto the road.**

At the bottom of the lane, **turn left into West Meon.**

In West Meon, you will find a good pub The Thomas Lord 01730 829244, a village shop, with a café and a good butcher – Harriotts.
